

# A CHAMPION'S FIGHT:

## SUPPORTING CAMBRIA LANG

At just 14 years old, **Cambria Lang** is a vibrant North Dakota student who loves volleyball, basketball, track, and choir. When she's not in school or sports, she's exploring the Black Hills with her father, hunting, fishing, and 4x4ing.

This July, Cambria was diagnosed with **Stage 4 Hodgkin's Lymphoma**. Despite this challenge, she faces her treatment with remarkable courage. As she battles cancer, her family is also taking steps to preserve her quality of life.

Your **raffle ticket purchase** will help offset Cambria's medical expenses. Join us in supporting this remarkable young athlete as she takes on her **toughest opponent yet**.
